

**healthiestyou**<sup>™</sup>  
By Teladoc

The NC Craft Brewers Guild is proud to partner with the Brewers Association to provide our members with low-cost access to virtual healthcare. **HealthiestYou by Teladoc Health** is available at the company level for employers to provide a low-cost, healthcare resource for their employees.

Employees, and their family members, can now access comprehensive, high-quality virtual care including general medical telehealth, dermatology, mental health care, nutrition, neck and back care, and expert medical services all in one complete bundled subscription. With \$0 visit fees and an intuitive app that includes all services in one, HealthiestYou is the hassle-free healthcare solution employees want and need.

**Exclusive Member Rate (available to all NC Craft Brewers Guild members):**  
**\$11.50 PEPM \***

*\* PEPM = Per Employee Per Month; All services include employee and family at no additional cost.*

The **HealthiestYou Complete** bundle includes all of the following services, unlimited usage, and \$0 copay:

- **General Medical** – 24/7 access to board certified physicians who can diagnose, treat, and prescribe medication for any acute/non-life-threatening illness (cough, cold, flu, rash, pink eye, etc.)
- **myStrength Complete (Mental Health)** – combined access to mental health professionals 7 days a week (MD & non-MD) and digital programs for a personalized mental health journey
- **Expert Medical Services** – access to network of 50,000 worldwide physicians for complex/critical cases; will also have the ability to locate in-network doctors, gather med history, have mental health 2nd opinion

- **Dermatology** – access to message with board-certified dermatologists 7 days a week that can diagnose, treat, and prescribe medication
- **Nutrition** – access to registered dietitians 7 days a week to promote healthier eating including developing a meal plan
- **Neck & Back Care** – access to health coaches 7 days a week to alleviate neck & back pain with help of exercise plans, videos, articles, one-on-one interactions, etc.
- Includes access to dedicated Client Success Manager to support with admin/broker support, employee engagement, employee education and overall utilization specific to your employees.

**Additional in-app features:**

- COVID-19 Support/Self-Assessments
- Prescription savings
- Find providers/facilities
